

As required by the Council for the Accreditation for Counseling & Related Educational Programs (CACREP), below is the University of Tennessee at Chattanooga's Counseling Program/Student Outcomes as reported in the 2016 programmatic vital statistics survey submitted on June 16, 2016 by Elizabeth O'Brien, Ph. D., LPC, Counselor Education Program Director:

### CLINICAL MENTAL HEALTH COUNSELING PROGRAM/STUDENT OUTCOMES

Unless a specific time frame is identified, you should respond to the questions below using the most recent data you have available for the program.

How many students graduated from your CLINICAL MENTAL HEALTH COUNSELING program in the past year?

*Please provide the combined total number of graduates from Summer 2015, Fall 2015, and Spring 2016: 19*

To the best of your knowledge, what is the completion rate of students from your CLINICAL MENTAL HEALTH COUNSELING program?

*To the best of your ability, please use the following information as a guide to report your program's completion rate: 90%*

*A program's completion rate is defined as the percentage of admitted students who graduate from the program within the expected time period. If you admit both full-time and part-time students into the program, you may have two completion rates based on differences between full-time and part-time students' expected time from admission to graduation. If this is the case, your program's completion rate is the average of the full-time student completion rate and the part-time student completion rate.*

To the best of your knowledge, what is the licensure [or certification] examination pass rate of students graduating from your CLINICAL MENTAL HEALTH COUNSELING program?

*Please use the drop down menu below to choose the licensure [or certification] examination pass rate, to the best of your knowledge, of students from your program: 95%*

*(NOTE: CACREP does not dictate the applicable licensure [or certification] examination for any program area in any state. Please provide the licensure [or certification] examination pass rate for the examination that is currently available for students in this program.)*

To the best of your knowledge, what is the job placement rate of graduates from your CLINICAL MENTAL HEALTH COUNSELING program who were actively seeking employment?

*To the best of your ability, please use the following calculation as a guide to report your program's job placement rate: 75%*

*Numerator: the number of students who, within 180 days of the day they received their master's counseling degree [in a given award year], obtained employment in the recognized occupation for which they were trained or in a related comparable recognized occupation.*

*Denominator: the number of students who, during the award year, received the master's counseling degree awarded for successfully completing the program and were actively seeking employment.*
