

# **Proposal from the Undergraduate Academic Standards Committee**

To change language related to students majoring and minoring in the same program.

## **Current Catalog Language**

*Taken from the Degree and Graduate Requirements section of the 2020 - 2021 Undergraduate Academic Calendar.*

### **Minor Requirements**

All students seeking the B.A. degree must complete the requirements for a minor in the same valid catalog year as the major(s). Students completing the requirements for two majors satisfy the requirement for a minor. Students completing two concentrations within the same major must still complete a valid minor in a different discipline. For students seeking the B.A. and B.S., the B.S. major will satisfy the minor requirement.

Students may complete an established minor requiring a minimum of 18 credit hours with at least 8 credit hours at the 3000/4000 level. Students must earn a GPA of 2.0 for courses attempted for any minor. Higher standards than these may be required for some minors. Specific requirements for minors are listed with the departmental offerings.

Students cannot major and minor within the same discipline. No more than 6 hours of credit in the major department may be applied to a minor. Students majoring in Art may also minor in Art History. Students majoring in HHP programs may also minor in Nutrition.

Students receiving one minor in a given department may receive a second minor provided that the second minor includes at least 12 credit hours of course work not included in the first minor.
