

1095-C Update

The 1095-Cs have not been processed yet. The IRS deadline to provide the 1095-C to employees is March 2. As in previous years, the 1095-C is not required to file your taxes; rather, it is for record keeping purposes only.

This document will be mailed to your address on file. Please [visit the employee portal](#) to ensure you have the correct address on file.
