on any aid.

To be considered for UTC scholarships, accepted students must log into their MyMocsNet account and complete the freshman scholarship application.

 THE UNIVERSITY OF TENNESSEE
CHATTANOOGA

UTC offers a wide variety of scholarships to assist students in meeting their financial needs. First-time-freshmen must complete their admission file by Dec. 1, 2020. A completed admission file consists of an application, \$30 application fee, official high school transcript and ACT or SAT score. **Information on file by Dec. 1 will be used to determine eligibility for scholarships.** Students will then be responsible for completing the online freshman scholarship application available through the MyMocsNet portal under the Money Tab by Jan. 10, 2021.

In response to Covid-19 pandemic, Dec. 2020 ACT or SAT scores submitted by Jan. 10, 2021 can be used for scholarship consideration.

Academic scholarships are competitive and are offered to students with the highest combination of GPA and ACT/SAT scores. High schools using a weighted grading scale must have the weighted GPA printed on the transcript for the GPA to be honored by the Admissions Office. These awards may only be used beginning the fall semester after the student graduates from high school. The award is renewable for a maximum of four years as long as the student maintains scholarship renewal criteria. To receive the full amount of the HOPE Lottery scholarship, students must complete the FAFSA each year.
