Total				2,999	3,095	3,205	3,432	3,592	3,620	99%

Information is provided by Housing and Residence Life

* Percentage of occupancy based on most recent Fall term's occupancy and the normal capacity.

**Suites do not have a kitchen or living room, where apartments have both a kitchen and living room.

***Students are placed in overflow off-campus housing after UTC has reached the number of applicants for full capacity. These students are later moved out of overflow once students whose application fell within the capacity range have checked in.
