Limited Duration Appointment Process (Staff Positions Only)

Per UT System Policy HR0101, a Limited Duration Appointment (LDA) may be established for up to one year with an option to renew the appointment annually for a maximum of three years. Since this type of hire occurs outside of Taleo, HR will need the following to process the hire:

1. If LDA is a new position, please submit a Classification Request and Position Description.

2. If a full search is not conducted, a search exemption and EEO form must be approved by the Office of Equity and Inclusion:
   - Fillable Exemption Request Form - Staff
   - EEO Form for Exemptions - 2020

   Please note that a CV and justification letter must accompany the completed Request for Exemption form. All materials should be emailed to oed@utc.edu.

3. Completed Initial Hire/Rehire (new employees) or Personnel Change Form (current employees).

4. Resume to confirm candidate’s qualification for the position.

5. HR will send candidate a direct link to complete the consent for a background check.
   - NOTE: It is no longer necessary for the candidate to complete paper background check form.

6. HR will provide a draft LDA offer letter for review and approval once the hiring details are confirmed.

   NOTE: A verbal job offer should not be extended until the Initial Hire/Rehire or Personnel Change Form is approved, and the background check is complete. HR will notify hiring manager when an offer may be extended.

   NOTE: A full search will need to be conducted in Taleo in order to fill the position as a regular, non-LDA position. The recruitment process would need to occur well in advance of the LDA end date.
