- Spring of \_\_\_\_ (Due by December 1)

## BUS2900 Course Description and Learning Outcomes

**COURSE DESCRIPTION:** Experienced professionals support students who are paired in a mentoring relationship based on common professional interests in order to guide students toward best practices for career success. Course integrates academic learning with business world application and experiences.

### **COURSE LEARNING OUTCOMES:**

- With the support of a practiced professional, students will bring career goals into focus and identify actions required to reach objectives
- Students will learn and practice professional communication and networking skills
- Students will develop professional competence and business acumen to ease the transition into the workforce
- Students will be better poised to pursue opportunities for employment related to their degrees

## Request to Register for BUS2900 Business Mentor Program

Please note that completion of the request form is *not* a guarantee of approved registration for BUS2900, but as many students as possible will be accommodated to enter the program. Students will be notified by UTC email regarding status of requests.

Completed forms should be submitted to [Irene-Hillman@utc.edu](mailto:Irene-Hillman@utc.edu) before the due date indicated in the top left corner of this form. Late enrollment requests will not be approved.
